Two SPEBSQSA Quartets To Travel to Bakersfield

Two quartets from the Torrance chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America will participate in the Far Western District Association of Chapters meeting in Bakersfield Saturday evening, it was announced this week.
 In competition with quartets from four western states and Hawaii will be the Deaconnaires — Charles Bartholomew, Dean Lougee, Bill Bartholomew, and Howard Foster — and the Four Colonels of Corn — Herb Allen, Al Ewalt, Doug McClay

and Francis Lehr.
 The two quartets will sing for contest honors in the area along with groups from California, Arizona, Utah, Nevada and Hawaii, according to Allen, president of the Torrance chapter.
 The contest will be the first for the Four Colonels of Corn, the second for the Deaconnaires. The latter group sang in the Far Western District championships in the Shrine Auditorium earlier this year.

BUSY FALL
 Saturday night's affair will climax a busy fall program, according to McClay, who has been appointed by the chapter to keep track of such things.
 "The real fall season started August 30 with a Ladies Night program in the Higgins Brick patio," McClay said.
 To prove his point he then repeated a list of events in which the chapter had participated.

Included were the Hollywood Stars SPEBSQSA night September 8, the Constitution Day ceremonies here September 17, the Lomita Presbyterian Men's Club on September 28, the Central Church on October 4, and an appearance at Wilmington Monday night of this week.

"That is just part of our activities recently," McClay said. Beginning next Thursday evening the chapter will meet at 8 o'clock in the Fern Avenue Elementary School cafeteria. The group has been meeting at the high school.
 "Any bathtub Caruso in town is welcome to come sit in with us," McClay said.

Chamber to Vote Nov. 5 On Board Change

An election to increase the number of directors of the Torrance Chamber of Commerce from nine to 15 members will be held at the Chamber headquarters on November 5, according to Henry W. Creger, president.

An early plebiscite indicated an overwhelming majority of C. of C. members in favor of the increases, but the number voting was inadequate to accomplish the necessary change in the by-laws. The legislation is sponsored by President Creger who voiced the opinion that the increased board would be a greater and broader representation of the community.

Of the eight new directors, four will serve for three years, two for two years and the remaining two for one year.

McMahan's Joins Crosley's Huge \$2,000,000 50-Word Contest

McMahan's Furniture Store will be one of thousands of appliance dealers participating in a nationwide \$2,000,000 "American Way of Life" contest, Mr. Charles Markland, manager, announced this week.

The contest is to be conducted by the Crosley Division, Avco Manufacturing Corporation, and its distributors and dealers throughout the country, from October 1 through December 1, 1951. It will feature large cash and merchandise gifts to individual winners, as well as over \$500,000 in cash to be given to churches and recognized charities all over the country.

Markland described the contest as "the simplest to enter and easiest to win, because

there will be nothing to buy." Prizes will include over \$1,500,000 in Crosley merchandise certificates and cash, to be given away by dealers and the Crosley Division of Avco, in addition to over \$500,000 in cash to the churches and recognized charities selected by the winners all over the nation.

To enter, it will be necessary to answer a simple true and false quiz and to write, in fifty words or less, "What the 'American Way of Life' Means to Me," on a national entry blank and a local entry blank. The blanks will be available without obligation at McMahan's Furniture Store, it was announced.

The best local entry, as judged by a committee of prominent citizens of the community, will be awarded a \$300 Crosley merchandise certificate. The same person will also name the church or recognized charity of his choice to receive \$100 from Mr. Markland.

Markland said that he will announce his local prize winner on December 15, 1951—in time for the \$300 Crosley merchandise certificate to be of utmost help to the winner for Christmas use.

Entries for 1001 national prizes will be forwarded to Crosley "American Way" Contest, Post Office Box 369, New York 46, New York. National prize winners will not necessarily be local prize winners. The winners of the national prizes will be announced by Crosley not later than January 31, 1952.

The Crosley Division of Avco will award \$20,000 to churches or recognized charities named by the first 11 winners, equivalent in amount to each of the eleven winners' own cash prizes.

Markland said the same statement entered in local contest would be applicable to the national contest simply by using a different entry blank for the national contest.
